# Bosch Wiper Blades

Zero-compromise vision, at all times.

As the world's largest automotive parts manufacturer, Bosch focuses on innovations to make driving safer, cleaner and more economical.

Bosch wiper blades are yet another innovation that makes driving safer. These wiper blades have double micro-wiping edge which ensures smooth wiping action for clear vision, at all times.

## Conventional Wiper Blades for Passenger Cars

These wiper blades are equipped with Graphite Coating to ensure smoother wiping. They come with a pre-mounted Quick-Clip Adaptor for ease of installation.

### Features:

- ▶ World renowned Bosch technology
- ▶ Graphite coating on wiper to ensure smoother wiping
- ▶ Bosch Tropical Wiper Blades with special rubber formulation; best suited for the Indian climate
- ▶ Double micro wiping edge for clear vision during day and night
- ▶ Special metal construction eliminates vibration during high-speed driving
- ▶ Flip-over action of wiper lip ensures no chattering or squeaking on the windshield
- ▶ Large coverage for Indian market

## Premium Bosch Aerotwin Wiper Blades for Passenger Cars

These are bracket-less wiper blades, designed without metal or plastic brackets, joints or hinges for improved performance over conventional wiper blades.

### Features:

- ▶ Latest Original Equipment bracket-less design
- ▶ Dual precision tensioned Evodium steel springs
- ▶ Aerodynamic wind spoiler
- ▶ Twin rubber technology
- ▶ Patented Quick Clip connector system for easy and quick installation

## Wiper Blades for Commercial Vehicles

For the first time in India, Bosch Wiper Blades come in an all new range for HCV's and LCV's.

### Features:

- ▶ World renowned Bosch technology
- ▶ Graphite coating on wiper to ensure smoother wiping
- ▶ Bosch Tropical Wiper Blades with special rubber formulation; best suited for the Indian climate
- ▶ Double micro wiping edge for clear vision during day and night
- ▶ Special metal construction eliminates vibration during high-speed driving
- ▶ Flip-over action of wiper lip ensures no chattering or squeaking on the windshield
